May 24, 1978

The Honorable Floyd Correa
Governor, Pueblo of Laguna
P. O. Box 194
Laguna, New Mexico   87026

Dear Governor Correa:

In response to your request of May 3, 1978, I am sending to you, with this cover letter, documents that cover sales of uranium concentrate that were not covered in the enclosures attached to my April 10, 1978 letter to you.

These documents cover spot sales of uranium concentrate through April 4, 1978 and sales of uranium concentrate under contractual committments to former customers for deliveries from 1973 forward and not already furnished to you.

Following is a detailed listing of the sales documents transmitted to you with this cover letter:

1. Sales committments entered into on or before 1973 for 1973 and subsequent years' deliveries:

    Westinghouse-May 9, 1966, amended February 9, 1968; Westinghouse-February 9, 1968, amended February 1, 1970. Both contracts were further amended by letter of December 22, 1975.

    NOK-February 21, 1966, amended April 28, 1976.

    Florida Power Corporation-July 14, 1967, amended June 1, 1970.

    Carolina Power and Light Company-November 8, 1971.

    Allied Chemical Corporation-December 1, 1973.

2. Spot sales entered into from 1973 forward are as follows:

    Taiwan-February 1974.

AGIP-May 3, 1974.

Maine Yankee Atomic Power Company-April 30, 1976.

Florida Power and Light Company- September 21, 1976.

Consolidated Edison Company of New York, Inc.
December 27, 1976

Duke Power Company-April 7, 1977.

Marubeni Canada, Ltd.-May 16, 1977

Baltimore Gas and Electric Company-March 16, 1978.

Indiana and Michigan Power Company-March 28, 1978.

Energy Fuels Exploration Company-April 4, 1978.

The Anaconda Company considers the material transmitted here to be Company confidential and is supplying it to The Pueblo of Laguna for the Pueblo's use in accordance with the terms of our lease and governing regulations and for no other purpose.

Please let me know if you have any questions.

Sincerely,

R. D. Lynn
General Manager
